

# PETRA LOSSEN FINE ART

---

Kunst, Shop & Podcast

Our superhero - very stable, flexible in inclination. Ideal for dedicated artists and professionals.

Very high-quality and stable easel made of fine, stained beech. The canvas height is adjustable via a locking rail, the painting angle can be continuously adjusted from vertical to horizontal use. Painting angle adjustment and fixing via large wing screws.

You will receive the easel as a kit with detailed instructions and tools (assembly approx. 45 min.).
